

## Application and dimension determination for bandsaw with sliding table

Contact details:

|                  |  |                           |  |
|------------------|--|---------------------------|--|
| <b>Company:</b>  |  | <b>Date:</b>              |  |
| <b>Street:</b>   |  | <b>Phone:</b>             |  |
| <b>ZIP code:</b> |  | <b>Mobile/cell phone:</b> |  |
| <b>City:</b>     |  | <b>E-mail:</b>            |  |
| <b>Country:</b>  |  | <b>Contact person:</b>    |  |

Requirements for the bandsaw:

**Which materials are to be cut with the bandsaw?**

|  |
|--|
|  |
|--|

**What is the maximum weight of the material to be cut?**

Weight in kg: 

|  |
|--|
|  |
|--|

**What special requirements are there for the machine?**

|  |
|--|
|  |
|--|

**What are the maximum dimensions of the material to be cut?**

|               |  |              |  |               |  |
|---------------|--|--------------|--|---------------|--|
| Length in mm: |  | Width in mm: |  | Height in mm: |  |
|---------------|--|--------------|--|---------------|--|

**Where should the machine be installed - are there any special space requirements?**

|                               |  |                                       |  |               |  |                   |
|-------------------------------|--|---------------------------------------|--|---------------|--|-------------------|
| Ceiling height in m:          |  | Which floor?                          |  | Ceiling load: |  | kg/m <sup>2</sup> |
| Space requirement L x W in m: |  | Narrowest doorway for transport in m: |  | H =           |  | W =               |

**Are additional functions such as special safety devices required?**

|  |
|--|
|  |
|--|

**Enter any information on processing (e.g. process specifications) here and, if necessary, supplement this with sketches, photos, videos and samples of workpieces for testing purposes at our factory.**

|  |
|--|
|  |
|--|

**What budget is available for the purchase of the machine?**

|  |
|--|
|  |
|--|

**In what time frame should the machine be purchased?**

|  |
|--|
|  |
|--|

For continuation see ⇨ [next page](#)

Continuation:

| What dimensions (length x width) should the two machine tables have? |  |            |  |            |  |
|--|--|------------|--|------------|--|
| L1 in mm =   |  | W1 in mm = |  | L2 in mm = |  |
|  |  |            |  | W2 in mm = |  |

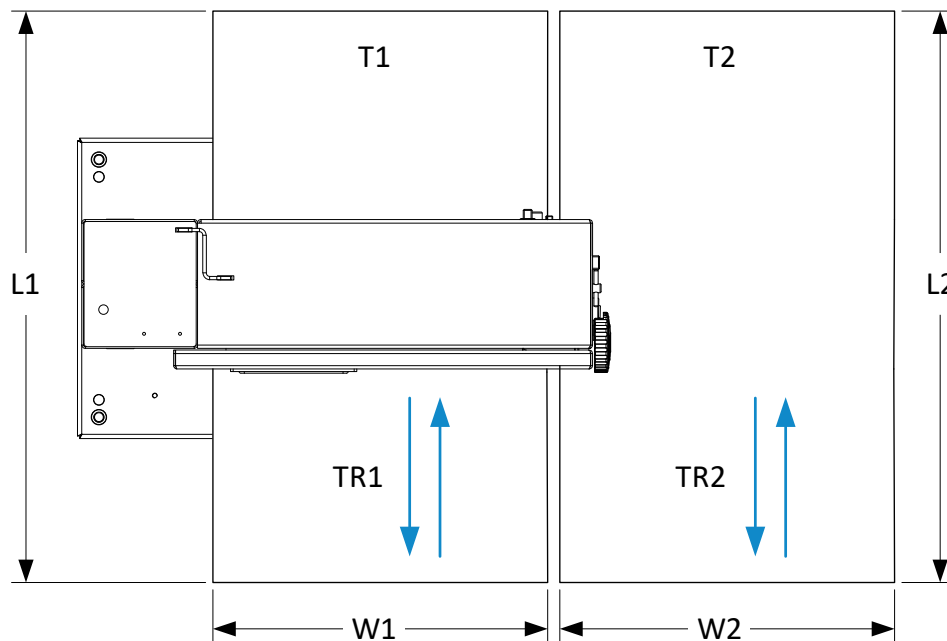

Figure: Bandsaw with tables T1 and T2 (view from above)

|                                 |         |           |
|---------------------------------|---------|-----------|
| Which tables should be movable? | only T2 | T1 and T2 |
|---------------------------------|---------|-----------|

| What travel range should the respective table(s) have? |  |             |  |
|--|--|-------------|--|
| TR2 in mm =  |  | TR1 in mm = |  |
